

After a three year price freeze on Health, safety and environment Publications, the pricing structure has been reviewed and revised for 2017.

All prices listed in the table below will take effect from 1st January 2017 and all products part of the pre-order campaign (due to start mid- November) will be available to purchase at 2016 prices. Please note, from 2017 onwards the GE700, GE706 and GT700 in **CD format** will be removed from sale.

The full list of the price changes is below:
