Earthing. The equipment is earthed at the following points			
Danger notices are posted at			
Automatic fire extinguishing control has been rendered inoperative at			
Other precautions			
Sign off from authorised person			
Name	Position	Signature	Date
I hereby declare that I accept responsibility for carrying out work on the apparatus detailed on this permit and that no attempt will be made by me, nor by any person under my control, to carry out work on any other apparatus.			
Name	Position	Signature	Date
<i>Note: after signature for work to proceed, this receipt must be signed by, and the permit to work retained by, the person in charge of the work until work is suspended or completed and the clearance section has been signed.</i>			
This is to certify that the work authorised above has been completed or stopped and that all workers under my charge have been withdrawn and warned that it is no longer safe to work on the apparatus specified on this permit to work and that gear, tools and additional earthing connections are all cleared. Automatic fire extinguishing control has been restored.			
Permit to work is hereby cancelled by the authorised person			
Name	Position	Signature	Date
