

## LEVEL 3 NVQ DIPLOMA IN CARVING OCCUPATIONS (CONSTRUCTION)

### KEY

**Guided Learning Hours** - eg contact time or supervised learning with a mentor/tutor/supervisor including onsite or in a classroom.

**Assessment** - The average hours it would take to assess the candidate's competence in the particular function - this **can** contribute to guided learning, but this has been kept separate in building the qualification value

**Other Learning** - eg Learners own study/research, practice of skills, compilation of portfolio of work evidence

**Nb:** as qualifications are currently still built on units, which individually state guided learning hours, which has in the past excluded assessment, the values are shown separately

**Nb:** previous/older forms reflect Ofqual TQT guidance from March 2015 'After the QCF', where qualifications had to have Guided Learning, Directed Learning and Invigilated Assessment assigned as components of TQT
