Dear [REDACTED]

**Freedom of Information Request: 222023**

Following your email dated 5<sup>th</sup> November 2023 requesting the following:

I would like citb to provide me with risk assessments for their skills competitions held in uk Further Education colleges over the past five years relating to construction occupations like bricklaying, plastering, joinery, roofing and painting and decorating.

Note: Please provide individual risk assessments for the various occupations named above because the hazards facing roofers and painters are different to those facing plasterers!

Our response is as follows:

The following SkillBuild Risk Assessments are available in the attached .Zip files:-

2018 – we no longer hold risk assessments from this time

2019 – SkillBuild Competition Risk Assessments 2019.zip

2020 – the SkillBuild Competition did not take place this year due to the Covid-19 Pandemic therefore there are no Risk Assessments held

2021 – SkillBuild Competition Risk Assessment 2021.zip

2022 – SkillBuild Competition Risk Assessment 2022 2023.zip

Please note that the attached documents have been reviewed and redacted under exemption S40(2) personal information
