Mandatory

VR126 v2 Install cavity barriers to floors and ceilings

Acoustic Floor Installation Option Route (Total 4)

Mandatory

VR620 v2 Install acoustic flooring

Unit endorsements for Interior Systems Level 2

Where industry requests; qualifications can be endorsed to show an option route and the type of resources and/or activities that relate to the unit. Listed below are the endorsements that can apply for units derived from the following NOS.

NOS	Endorsement
VR130	One of the following: Tacking Direct bonding (dot and dab)
VR618	Three of the following endorsements required Tape and joint finishes Form internal and external angles Priming/protection topcoat Skim plaster finishes

Note: Where industry requests an Awarding Organisation to further endorse a unit, the Awarding Organisation must first seek approval from the Standards Setting Body to ensure the endorsement is appropriate to the unit.
