Bookings cancelled 14 days prior to arrival will be eligible for a full refund less booking and cancellation fees. Non-arrivals will be charged in full for the block of dates booked. Changes or Amendments – Any changes or amendments to a booking must be made within a maximum of a 14-day period in order to avoid any charges. Name changes can be made free of charge. Date changes will be subject to availability at the selected hotel.

COVID-19 – The global pandemic continues to cause disruption across many UK businesses especially given the ever-changing advice around self-isolation, testing protocols plus track and trace requirements. Certain hotel suppliers will have different regulations around their COVID cancellation policy. Whilst arrangeMY and our suppliers will endeavour to support those bookings impacted by COVID, it is important to note that your booking may still be subject to full charges if cancelled within the 14 day period as per the overriding cancellation policy. We advise any college cancellations, COVID cases or self-isolation periods are reported to arrangeMY as quickly as possible to mitigate against any cancellation fees that may stand.

Additional Bookings – Should you require any extensions or additional room nights for your booking, arrangeMY would be happy to assist however this will be dependent on the availability of the hotel. It is advised to make any additional bookings a maximum of 28 days prior to arrival. Additional bookings must be requesting through the CITB Travel to Train team to ensure they are fully authorized before booking.
